

Dear Sir/Madam,

The Uppsala Regional Council has the pleasure of inviting you to the seminar *Regional Rationality and Civic Responsibility* at 10:00 am on June 10th at the Swedish Pavilion, Expo2010 in Shanghai. The seminar will focus on communication, transparency and democracy in the process of finding a site for the final disposal of Swedish spent nuclear fuel.

The seminar will highlight specific experiences and first hand knowledge from the Municipality of Östhammar, the chosen location for the repository and the Swedish Nuclear Fuel and Waste Management Company (SKB); the responsible national implementer. The presentations include site investigations, site selection and choice of method as well as details of the dialogue with stakeholders and reviews conducted by the municipality.

Full details of the morning session are laid out in the enclosed program. Details of the following afternoon session can be found in the official Stockholm Innovation Day program.

Please note: In order to ensure your admission to the seminar it is of the utmost importance that you complete the registration form below. Entry tickets will be sent to your postal address.

I look forward to meeting you.

Best regards
Uppsala April 2010

Arne Sandemo
